GENERAL CHEMICAL CORP.

All Purpose Cleaner 1998

All Purpose Cleaner

TYPICAL PROPERTIES

- Appearance: Clear blue liquid
- Odor: Mild citrus odor
-pH: 12.5-13.5

Description

All Purpose Cleaner 1998 is a water based, alkaline cleaner formulated to provide effective removal of uncured solvent or water base paints. As such, it is ideal for removing paint from paint booth interiors, paint kitchens, and equipment. All Purpose Cleaner 1998 can also be used in mop & bucket operations and floor scrubbers to remove paint tracking and spills from floors. It also finds utility as a general purpose cleaner for floors, windows, and walls to remove soils and stains.

Recommended Application

1. Spot test on hidden area.
2. Dilute product.
   Use 1 - 2 ounces of All Purpose Cleaner 1998 to 1 gallon water.
3. Apply by spray, brush, rag, or sponge.
   Once applied, allow to remain in contact for 5-15 minutes, depending on severity of soil.
4. Rinse thoroughly.

Benefits

- Ideal on paint, marker, and ink
- Multi-purpose product
- Water based

Health & Safety

Chemical goggles and/or faceshield should be worn where splashing is possible. Wear protective gloves. Please refer to SDS for complete health and safety information.

Storage

KEEP FROM FREEZING! Store in a dry location at room temperature. Keep container closed and maintain all original markings and labels.
