- Odor: Acetone
- Weight per Gallon: 7 pounds/gallon

Description

Gun Cleaner 1169 is used in an automatic gun cleaner machine for the efficient, quick and gentle finish cleaning of spray guns.

Recommended Application

- 1 For best results, clean guns before paint hardens.
- 2 For use only in properly grounded automatic spray gun cleaning systems, according to equipment manufacturer's instructions.
At intervals specified by the equipment manufacturer, drain off the recommended amount of used cleaner and replenish.
- 3 Always remove guns from washer as soon as cleaning cycle is completed.

Benefits

- Superb cleaning ability.
- Improves efficiencies.
- Extends working life of equipment.
- Best effects when used on recent and not dried paint.

Health & Safety

Product is flammable. Refer to SDS for complete health and safety information.
