GENERAL CHEMICAL CORP.

CarpetGeneral Citrus Gel Spotter 5817

Stain Remover

TYPICAL PROPERTIES

- Appearance: Yellow liquid
- Odor: Pungent

Description

CGS 5817 is a one-step all purpose carpet spotter that contains natural citrus solvents to effectively remove the toughest oil and grease stains. Use to remove asphalt, paint, tar, grease, cosmetics, candle wax, crayons, scuff marks and more. Thickened gel formulation clings to stain and does not penetrate carpet backing.

Recommended Application

1. Always pretest an area to be cleaned to insure compatibility with the cleaner.
   Citrus Gel Spotter 5817 is used as received.
2. Apply to a clean, white absorbent cloth and blot spot.
   Or apply directly to spot.
3. Blot area, working from the outside area towards the center.
4. Repeat if necessary.

Health & Safety
