

Anti Fog Mask Spray

Antifogging Spray

TYPICAL PROPERTIES

- Appearance and odor = Clear, colorless liquid
- pH = 8
- VOC (EPA 24) = 0.45 lbs/gal
- Density = 8.33 lbs/gal
- Flashpoint = None

Description

Anti Fog Mask Spray removes grease and dirt and is easy to wipe off because of its lubricity. Its antifogging properties reduce fogging on interior glass surfaces.

Recommended Application

1

Anti Fog Mask Spray is used as received.

2

Spray directly onto surface and wipe until dry with a clean cloth.

Spray on interior side of glass for anti fogging properties. Can be used as glass cleaner on exterior windows.

3

Apply as needed to maintain surface appearance.

Benefits

- Water based
- Widespread utility
- Low VOC
- Ammonia free
- Antifogging properties

Material Compatibility

No incompatibilities known.
