

GenKleen 2740

Water Based Cleaner

TYPICAL PROPERTIES

Appearance: Clear liquid
Odor: Mild sweet odor

SHIPPING

Available in 1 gallon, 5 gallon,
and 55 gallon packages.

Description

GenKleen 2740 is a water based, super concentrated cleaner. GenKleen 2740 is safe for use on multiple surfaces, including carbon, stainless steel, aluminum, and glass.

Recommended Application

1

GenKleen 2740 is applied by high pressure spray or immersion.

Dilute: 5% - 25% GENKLEEN 2740 with water
Temperature: 140F - 200F

Benefits

Superior cleaning ability - lifts the dirt from the substrate
Low foaming - works well in spray or soak applications
Concentrated - dilutes with water for freight cost savings
Extended bath life compared to solvent - Economical to use
