

AutoGeneral® Anti Fog Glass Cleaner

Antifogging Glass Cleaner

Description

AutoGeneral® Anti Fog Glass Cleaner is a water based cleaner with antifogging properties that is excellent for cleaning windshields, tinted windows, household windows, refrigerators, stovetops, and kitchen counter surfaces. It removes grease and dirt and is easy to wipe off because of its lubricity. Its antifogging properties reduce fogging on interior glass surfaces.

Recommended Application

1

AutoGeneral® Anti Fog Glass Cleaner is used as received.

2

Spray directly onto surface and wipe until dry with a clean cloth.

Spray on interior side of glass for anti fogging properties. Can be used as glass cleaner on exterior windows.

3

Apply as needed to maintain surface appearance.

Benefits

- Water based
- Widespread utility
- Low VOC
- Ammonia free
- Antifogging properties

Material Compatibility

No incompatibilities known.
