

AutoGeneral® Exterior Shine

Water Based Exterior Conditioner

TYPICAL PROPERTIES

- Appearance and odor = Opaque, white liquid
- pH = 8
- VOC (EPA 24) = 0.01 lbs/gal
- Density = 8.35 lbs/gal
- Flashpoint = None

SHIPPING

AutoGeneral® Exterior Shine is shipped in 1 gallon plastic jugs, 5 gallon plastic pails, and 55 gallon closed head plastic drums.

Description

AutoGeneral® Exterior Shine is water-based, solvent-free, low VOC and provides great shine to all exterior surfaces including paint, bumpers and trim. When applied properly, it helps prevent cracking, fading, premature aging and brings out a beautiful, deep shine with a nongreasy finish.

Recommended Application

1

AutoGeneral® Exterior Shine is used as received.

Shake product well. Apply as needed to maintain surface appearance and protection.

2

Apply to a clean cloth and spread evenly, or spray directly onto surface.

Wipe off excess.

3

Apply as needed to maintain surface appearance and protection.

Benefits

- Water based
- Widespread utility
- Low VOC
- Solvent free

Material Compatibility

No known incompatibilities.
