

AutoGeneral® Interior Shine

Water Based Interior Conditioner

TYPICAL PROPERTIES

- Appearance and odor = Opaque, white liquid
- pH = 9
- VOC (EPA 24) = 0.02 lbs/gal
- Density = 8.35 lbs/gal
- Flashpoint = None

SHIPPING

AutoGeneral® Interior Shine is shipped in 1 gallon plastic jugs, 5 gallon plastic pails, and 55 gallon closed head plastic drums.

Description

AutoGeneral® Interior Shine is water-based, solvent-free, low VOC and provides great shine to all interior surfaces including vinyl, rubber and plastic. When applied properly, it helps prevent cracking, fading, premature aging and brings out a beautiful, deep shine with a nongreasy finish.

Recommended Application

1

AutoGeneral® Interior Shine is used as received. Shake product well. Apply to a clean cloth and spread evenly, or spray directly onto surface. Wipe off excess. Apply as needed to maintain surface appearance and protection. Please refer to the MSDS for proper safety instructions.
