CarpetGeneral® Carpet Deodorizer 5600

Deodorizer

Description

CarpetGeneral® Carpet Deodorizer 5600 eliminates both organic and pet odors in carpeting and upholstery. CarpetGeneral® Carpet Deodorizer 5600 is not a cover up fragrance, but actually chemically bonds with the odor molecule, changing its structure and eliminating the odor. When applied properly to the odor source, it will permanently neutralize dog and cat urine odors and most other animal and organic type odors. CarpetGeneral® Carpet Odor Absorber 5600 is a solvent-free version of Carpet Odor Absorber 4278

Recommended Application

- 1 Always pretest an area to be cleaned to insure compatibility with the cleaner.
- 2 Clean contaminated area thoroughly.
- 3 Apply CarpetGeneral® Carpet Deodorizer 5600 to area by spray, injection or fogging. CarpetGeneral® Carpet Deodorizer 5600 is used as received. Clean contaminated area thoroughly. Groom area with a brush to insure contact with all affected areas.

Benefits

- Widespread utility
- Water based

Material Compatibility

Avoid strong oxidizing agents (i.e. bleach), acids, acetaldehyde, chlorine, ethylene oxide and isocyanates.

Health & Safety
