

Product Information

Description - CarpetGeneral® Carpet Stain Remover 4285 is a heavy-duty water based preconditioner, cleaner and degreaser. Its exceptional power will improve any cleaning situation by quickly emulsifying stubborn ground in dirt, grease, soot, fire damage and filtration soil on carpet, hard surfaces or even concrete driveways. This saves on cleaning or rinsing solution creating less waste water, and reduces labor by decreasing the number of passes needed to thoroughly clean

Sub Title - Alkaline Carpet and Fabric Stain Remover

Typical Properties - •Appearance and odor = Clear, green liquid with a citrus odor •pH = 13 •VOC (EPA 24) = 0.4 lbs/gal •Density = 8.9 lbs/gal •Flashpoint = None

Benefits - •Water based •Widespread utility •Low VOC

Recommended Application - Always pretest an area to be cleaned to insure compatibility with the cleaner. CarpetGeneral® Carpet Stain Remover 4285 can be used as received or diluted with water, depending upon the nature and severity of the soils to be removed. When diluting with water always add the product to water to avoid splashing of the alkaline solution. FOR CARPETS, UPHOLSTERY, CLOTHES, AND NON-WASHABLES: Spray stained area thoroughly, wait 60 seconds. Agitate to saturate the fibers. Blot or gently rub area with a clean, absorbent cloth. Repeat until stain is removed. Blot any excess moisture... no need to vacuum; dries quickly. FOR REAPPEARING STAINS: Repeat above steps, then place a clean, white cloth or paper towel over the treated area, followed by something flat and heavy like a stack of books. After a few hours, the towel absorbs any excess stain residue and moisture that wicks to the top. FOR WASHABLES: Spray stain thoroughly and wait 60 seconds. Agitate to saturate the fibers. Launder as fabric recommendations allow. Repeat if necessary. FOR WALLS, COUNTERTOPS, FLOORS AND TILE: Spray stain thoroughly, wait 60 seconds. Wipe with a clean cloth or rinse thoroughly. Repeat if necessary. Please refer to the MSDS for proper safety instructions.

Material Compatibility - Avoid strong oxidizing agents (i.e. bleach), strong bases (i.e. ammonia) and soft metals such as aluminum at elevated temperatures.

Shipping - CarpetGeneral® Carpet Stain Remover 4285 is shipped in 1-gallon plastic bottles or 5-gallon plastic pails.
