CarpetGeneral® Carpet Degreaser 5673 is shipped in 1 gallon plastic jugs, 5 gallon plastic pails, and 55 gallon closed head drums.

Description

CarpetGeneral® Carpet Degreaser 5673's exceptional power will improve any cleaning situation by quickly emulsifying stubborn ground in dirt, grease, soot, fire damage, and filtration soil on carpet, hard surfaces or even concrete driveways. This saves on cleaning or rinsing solution creating less waste water and reduces labor by decreasing the number of passes needed to thoroughly clean.

Recommended Application

1. Always pretest an area to be cleaned to insure compatibility with the cleaner.
2. CarpetGeneral® Carpet Degreaser 5673 can be used as received or diluted with water.
   When diluting with water always add the product to water to avoid splashing of the alkaline solution.
3. FOR CARPETS, UPHOLSTERY, CLOTHES, AND NON-WASHABLES
   Spray stained area thoroughly, wait 60 seconds. Agitate to saturate the fibers. Blot or gently rub area with a clean, absorbent cloth. Repeat until stain is removed. Blot any excess moisture; no need to vacuum; dries quickly.
4. FOR REAPPEARING STAINS:
   Repeat above steps, then place a clean, white cloth or paper towel over the treated area, followed by something flat and heavy like a stack of books. After a few hours, the towel absorbs any excess stain residue and moisture that wicks to the top.
5. FOR WASHABLES:
   Spray stain thoroughly and wait 60 seconds. Agitate to saturate the fibers. Launder as fabric recommendations allow. Repeat if necessary.
6. FOR WALLS, COUNTERTOPS, FLOORS, AND TILE:
   Spray stain thoroughly, wait 60 seconds. Wipe with a clean cloth or rinse thoroughly. Repeat if necessary.

Benefits

- Water based
- Widespread utility
- Low VOC

Material Compatibility

Avoid strong oxidizing agents (i.e. bleach), strong acids, strong bases (i.e. ammonia), and soft metals, such as aluminum, at elevated temperatures.

Health & Safety

Please refer to SDS for complete health and safety information.

Related Products

CarpetGeneral® Carpet Degreaser 5673 is used for severely soiled areas where CarpetGeneral® Carpet Degreaser 4285 may not be quite enough.

Application

For heavy-duty dirt- do not dilute.
For light-duty or general cleaning, add 2-4 ounces to 1 quart water. For best results, treat stain while fresh and allow cleaner to set 3-5 minutes.
