SHIPPING

DeckGeneral® Hose End Deck Cleaner 5767 is shipped in 1 gallon plastic jugs, 5 gallon plastic pails, and 55 gallon closed head plastic drums.

Description

DeckGeneral® Hose End Deck Cleaner 5767 is a version of DeckGeneral® Deck Cleaner 4018 that has been formulated for use with a hose end sprayer. It is a tough outdoor cleaner that revitalizes decks, furniture, and landscape decorations. It is used to remove dirt, grime, light mildew, tannin, and rust stains.

Recommended Application

1

Always pretest an area to be cleaned to insure compatibility with the cleaner. DeckGeneral® Hose End Deck Cleaner 5767 is used as received. Attach the spray bottle to the end of a hose, turn on the water, and spray the cleaner on the surface to be cleaned. Agitation from a brush may facilitate better cleaning of heavily stained areas. When finished, rinse with water. Please refer to the MSDS for proper safety instructions.
