

# PaverGeneral® Rust Remover 4015

Rust Remover

## TYPICAL PROPERTIES

•Appearance and odor = Clear, colorless liquid •pH = <1 •VOC (EPA 24) = 0.03 lbs/gal •Density = 13.2 lbs/gal •Flashpoint = None

## SHIPPING

PaverGeneral® Rust Remover 4015 is shipped in 1 gallon plastic jugs, 5 gallon plastic pails, 55 gallon closed head plastic drums.

## Description

PaverGeneral® Rust Remover 4015 has been formulated to remove rust stains from concrete brought about by hard water conditions. Rust Remover 4015 is also effective at removing rusts stains that have developed around rusty spigots and the like.

## Recommended Application

1

Always pretest an area to be cleaned to insure compatibility with the cleaner. PaverGeneral® Rust Remover 4015 can be used as received or diluted with water, depending upon the nature and severity of the soils to be removed. When diluting with water always add the product to water to avoid splashing of the acidic solution. PaverGeneral® Rust Remover 4015 can be applied by wipe or spray. Please refer to the MSDS for proper safety instructions.
