CarpetGeneral Pet Odor Remover 5905

Pet Stain Remover and Odor
Digester And Neutralizer

Description

CarpetGeneral Pet Odor Remover 5905 destroys odor in carpet, but it attacks the stain as well. Other products are designed to handle one or the other, but Pet Odor Remover 5905 takes care of it all: tea, coffee, blood, vomit, feces, urine – any organic stain or odor you can come up with. Typical products only offer a temporary solution and leave behind bacteria and acids, which continue to emit odors when they come into contact with moisture. CarpetGeneral Pet Odor Remover 5905 easily, quickly and permanently destroy pet odors and stains while leaving behind a fresh scent. For use on carpet, including stain resistant carpet, floors, including tile, wood, concrete, and vinyl, furniture, upholstery, clothing, cages, litter boxes, carpet padding, as well as pet living and sleeping areas.

Recommended Application

1

Perform patch test.

Always test for colorfastness before use. Test procedure for colorfastness in a small, inconspicuous area before using. ALWAYS TEST each surface for suitability and desired results before overall application.

2

To remove stains, wipe up as much of the stain as possible.

3

Saturate the stain with Pet Odor Remover 5905 work for 5 minutes then blot away stain with a clean white cloth.

Product is pre-diluted and ready to use. Older stains may have to be soaked slightly longer for complete stain removal.
